working together to reduce energy costs

The Energy Action Group is a DTA Wales service that assists UK community organisations, trusts and SMEs in reducing energy costs through personalised energy saving advice and **FREE**, no-obligation electric and gas quotes

If you join the Energy Action Group you will be able to:

**Review your energy bills**

**Work with an energy management company to gain FREE, no-obligation energy quotes**  
**100% REGO \*Certified Renewable Energy tariffs available**

**Join a bulk energy buying basket to reduce costs further**

Joining the scheme is easy. All you have to do is complete and return a letter of authority and your latest energy bill, or details of your energy supplies, to us and we will do the rest.

\*REGO – Renewable Energy Guarantees of Origin.
